10. (Confidential - JGO) Met with Mr. Arthur M. Kuhl, Chief Clerk, Senate Committee on Foreign Relations, who told me that both Mr. Walter Pincus and Mr. Roland Paul are still working with the Committee and in consequence, he must delay termination of the security clearances held by both individuals. He will keep me advised.

Mr. Kuhl told me that the Committee Organization and Planning meeting will be held about 26 January. At that meeting, determination should be made as to the dates for scheduling posture hearings with the Secretary of State and related matters. I thanked Mr. Kuhl for the advice.

11. (Confidential - JGO) In a chance meeting, I talked to Mr. John H. Sullivan, Staff Consultant, House Committee on Foreign Affairs, who told me that consideration is being given, at the staff level, for a request for a briefing on the Soviet Union and China for the Subcommittee on National Security Policy and Scientific Developments to which the full Committee would be invited or to a request from Chairman Morgan for the same briefing for the full Committee. He does not expect any further definition on this question, however, until after the Congress convenes on the 21st.

5. (Secret - JMM) Met with Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, whom I briefed on recent developments regarding the Soviet Far East military district, ChiCom naval installations, SAM sites in Cuba, SAM deployment in the USSR, and Soviet naval activity in Cuba. Mr. Slatinshek and I also discussed Committee matters. He said it would probably take a week for the new Congress to organize itself after it convenes on 21 January, and the Committee membership would not be decided upon until then. He is not sure that all of the existing vacancies will be filled, and expressed the hope that they would not, since he feels the Committee is already too large. He commented that so far as the Agency was concerned we couldn't have a better chairman than Mr. Hebert.

7. (Unclassified - GLC) Judy Spahr, Senate Subcommittee on National Security and International Operations, called to say that Senator Jackson had asked her to obtain from the Agency an unclassified map of the Middle East which he could use for briefing purposes. We are checking on it.

8. (Internal Use Only - JGO) In response to a request from [REDACTED] CRS/ISG/WHD, met with Miss Helen L. Hashagen, Staff Assistant, House Committee on Foreign Affairs, who gave me a copy of the Soviet Military Build-up in Cuba paper by Dr. Manuel J. Reyes.

9. (Confidential - JGO) Met with Miss Mary V. Swann, Administrative Assistant to Representative F. E. Hebert (D., La.), and reviewed with her the employment turndown of [REDACTED]. Miss Swann appreciated the Agency's followthrough on this case and indicated that she would close out their file on Washington applications made by [REDACTED].
